Colourful world!

BRUYNZEEL CHILDREN COLOURING

Bruynzeel introduces the colouring of the future! With the introduction of the (free) Bruynzeel App, Bruynzeel realizes a unique interplay between drawings on paper and the highly imaginative digital world of Fuzzy and his friends. Thanks to this app and the complete range of colour products, children can develop their fine motor skills and creativity while at the same time developing their technical skills for later

BRUYNZEEL EARLY LEARNING

A full range of colouring products specially developed for young artists. Fine tuned for little hands. Well thought-out, safe but above all fun! Together with Fuzzy, bring your drawing to life with this app.

99DMXZ14

A hand holding a wooden pencil with the text 'Bruynzeel · HOLLAND' on it. The pencil is positioned over a drawing of butterflies. The drawing features a large pink butterfly with black spots and a blue butterfly. A red pencil is also visible, drawing on the pink butterfly. A large, textured red brushstroke is overlaid on the top half of the image, partially obscuring the text and the drawing.

BRUYNZEEL EXPRESSION

Bruynzeel Expression provides the perfect foundation for everyone who wishes to be creative. Bruynzeel Expression comprises a complete range of graphite, coloured and watercolour pencils, packed in attractive storage tins with decoration that is reminiscent of the Bruynzeel brand's Dutch origins. Bruynzeel Design Specialties

Superior quality artists' pencils specially developed for those wanting the very best drawing and colouring products.

BRUYNZEEL DESIGN SPECIALTIES BOX 12

Aqua-Sketch (Medium - Soft) - Pencil with water-soluble core. Wonderful watercolour effects can be achieved by using water and paintbrush. Charcoal (Hard -Medium - Soft) - Charcoal pencil allows you to work cleanly and accurately. Sanguine (Oil) - Pencil with reddish core, particularly suitable for portraits and life drawings. Sepia (Light - Dark) - Pencil with a dark-brown sepia core, suitable for sketching and drawing landscapes. White (Soft) - Pencil with a white, chalk-based core, for applying contrasts and toning down colours. Blurrer - Drawing instrument to smooth out chalk etc., thereby creating shade and "silky" effects.
